Dear Sir,

I would like to request an RCA document to cover the following UN NUMBERS which were exempted for from COER and MSER on the 4th Dec 2007 in small quantities:

- UN0186, UN0272, UN0349, UN0351, UN0471

I can confirm that in order to conform to the COER and MSER exemptions:

- I shall store no more than 5Kg of net propellant of motors.
- No single motor will have more than 1Kg of net propellant weight.
- These will be used for the purpose of model rocketry.
- They will be stored in a suitable safe place.

In addition to the above, I will also be storing the following items. ***(Add any other UN numbers including ones which are on your explosive license.)***

- UN0161 – Pyrodex

Yours sincerely,
